Murrayfield Boxes Hospitality Critic Review

Introduction

The Murrayfield Boxes are the only hospitality facilities at the stadium with direct views of the pitch. There are only 10 boxes available, so they are highly sought after for exclusive and private corporate hospitality. The boxes are named after iconic rugby grounds in Scotland.

Location

Unfortunately, the boxes are not located in a prime location, all 10 boxes are situated together in the corner of the stadium, where the North & West Stands meet, and as such, they are positioned just behind the Try Line.

Facility/Décor

The boxes are very smart and provide the perfect environment for entertaining valued customers.

Private Boxes

The boxes accommodate up to 14 guests for a sit-down lunch on an oval table. The capacity can be increased to 20 guests for a more informal buffet luncheon.

Admission

The boxes are glass-fronted, and seats are provided directly in front of the boxes to view the game. You can even watch the rugby from the comfort of the box itself should you wish.

Catering

You will be served a three-course luncheon, refreshments at half-time and a post-match supper.

Drinks

You will enjoy a welcome drink on arrival and the bar is complimentary. The wines are specially selected by the sommelier to complement your meal. Please note that Champagne is not included in this package.

Service

There is a dedicated drinks host providing table service.

Entertainment

There are no guest speakers included however rugby legends will visit your box to talk to guests before and after the game.

Audio-Visual

There is a TV monitor in each box.

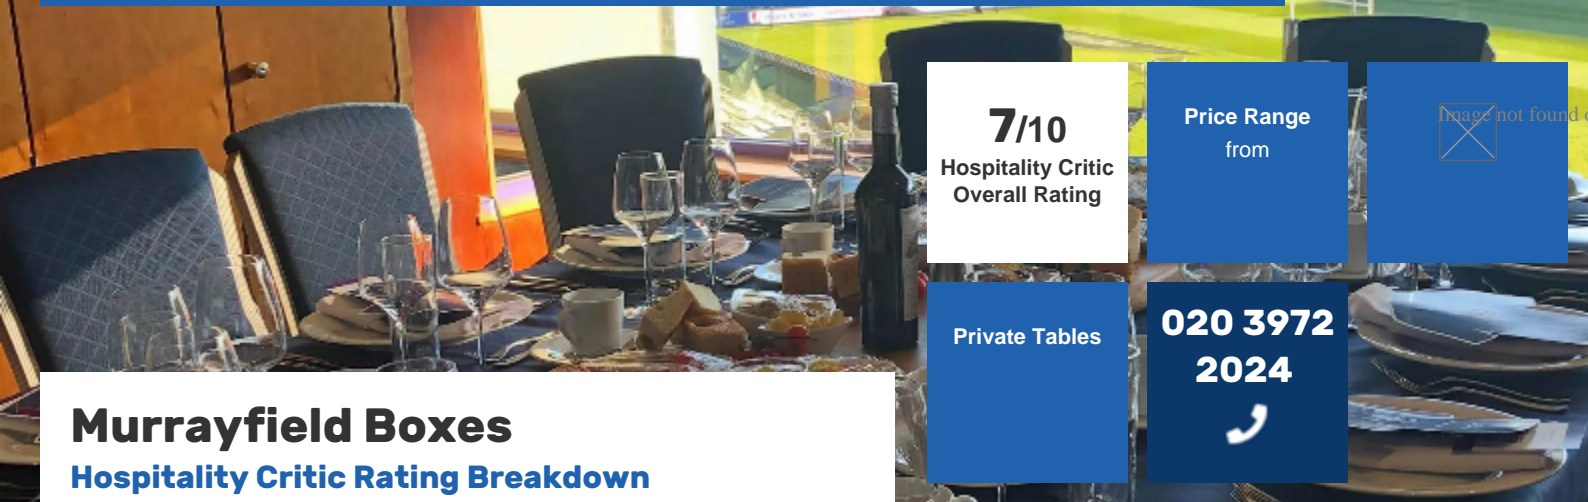

Car Parking

There are no car park passes included in this package, which means guests will have to use public transport, taxis, or source parking themselves in the Murrayfield area.

Extras

A souvenir match programme is included.
