Cusworth Private Chalet Hospitality Critic Review

Introduction

The Cusworth Private Chalets are situated in the Club 1776 Marquee, Cusworth being a historic Doncaster village. The St. Leger is the world's oldest classic horse race, named after Anthony St Leger, who devised the race in 1776; it is the last of the five English classic races and the longest at 1 mile and 6 furlongs. The Cusworth Private Chalets provide companies with the opportunity to have a private branded facility.

Location

The Cusworth Private Chalets (within Club 1776 Marquee) are situated close to the rails in the centre of the course, opposite the Lazarus (Main) Stand. They are ideally located close to the Winning Post, with views of the finishing straight.

Facility/Décor

The chalets are private sections of a large marquee, with dining on round tables and a private bar facility. There are floor-to-ceiling windows providing an abundance of natural light. There is a raised viewing terrace directly in front and some garden furniture on the lawns should the weather be kind.

Private Tables

Private chalets are available for groups of 30 guests or more, seated on tables of 10.

Admission

Admission into the Club 1776 Marquee is included.

Catering

Morning coffee is served on arrival followed by a four-course luncheon. Later in the day, a classic Afternoon Tea is served.

Drinks

There is a Champagne Reception prior to lunch and the bar is complimentary throughout the day. Champagne is an extra charge after the reception.

Service

Service is left to the dedicated waiting staff, there is not a hostess service.

Entertainment

There is not a racing tipster included in the package.

Audio-Visual

There is a TV monitor in each chalet.

Car Parking

Car park passes are included.

Extras

A Racecard is included and there are Tote betting facilities available.

VERDICT

This package provides excellent value for money for a fully inclusive package. The location is good, but the viewing is not as good as the private boxes in the Lazarus & Leger Stands.
